El Gouna is a complete town with hospitals, schools, university centers and facilities. Built around three world class marinas, two 18-hole championship golf courses, one of the world's largest cable parks, 17 hotels ranging from intimate guesthouses to five star beachfront resorts, El Gouna's neighborhoods are designed with artistically inspired architectural wonders of Nubia, Tuscany, and Andalusia. Conveniently located just 25 km from Hurghada International Airport, El Gouna is a short flight away from all of Europe's major capitals.
